Dear Brothers and Sisters in Christ,

Thank you for your prayers. I am thankful for the safe travel that the Lord has granted me these last few months. This is the result of the many people that have been holding me up in prayer. I have traveled in 4 states reporting to existing supporters and presenting my ministry in new churches. In these last few months there have been several new churches catching a vision for reaching the Russian people.

There are several supporting pastors that I have not yet been able to contact in order to schedule a meeting for reporting purposes. I will continue to try to reach you. If you would like to reach me I can be reached on my cell phone at any time. The number is (806) 678-9008. This is a new number that will work anywhere in the United States.

I would like to thank several Churches who have taken up special offerings for my ministry. Please continue to pray for me as I continue to travel to churches. I am still in need of scheduling new meetings for the fall. Pray that I will be able to find the churches that would see my burden for the Russian people.

I was able to talk to Feoder Volodin My friend in Russia. He is doing well and continuing his ministries in Russia. He asked me to pray for a teenager by the name of Sasha. Sasha was saved several years ago through Feoder's ministry, but has become bitter towards God. Help me in this prayer effort that this young man that he will receive a right spirit towards God. It is the youth who will be the leaders of tomorrow.

Thank you for your continuing support.
