August 2006

Dear pastors and Churches,

Greetings in the name of the Lord. It has been just over a year since I returned from furlough. The Lord has done it again. He never stops blessing. This year has been no exception. I have seen 2 saved and many new disciples made in this last year. I have seen seeds that were planted over 7 years ago bear fruit in the last few months. God is Good!!!

As I have mentioned in several of my prayer letters I am gearing up for several outreaches next summer. As time draws nearer needs are becoming clearer for these outreaches. I would like to be able to pass out literature packets to people on the street. I would like to hold evangelistic meetings in large meeting places to preach the gospel. We have held several outreaches in the past with great results. As with all great endeavors they come with a cost. It is for this reason I find myself once again in America raising funds for these future plans. I will be traveling for several months to meetings sharing the need for reaching the Russian people. I do have some open dates. If you would like to hear in person the needs let me know and I will do my best to stop by. I can be reached at (214) 718-1739 or at my email address [clfurrow@aol.com](mailto:clfurrow@aol.com). I have to be in Russia by December 1. I will be traveling to as many churches as possible in this time.

This next year is shaping up to be a busy one. In January a new missionary family will be arriving in Cheboksary to help in the work there. My visa will be up for renewal in April, so I will be dealing with the paperwork and travel to renew it. In June a second missionary family will be coming. I will be have in outreaches all summer. In the fall begins the follow up on the results from the summer outreaches. I as excited to see what the Lord is going to do this next year.

My weekly meetings have been encouraging. The people seem to growing in there faith. A man a speak often of , Vladimir, has been a great blessing to me. He is continuing to grasp the teachings of the bible that are being taught to Him. I am praying that his family will begin to come with him to our meetings. His family would be a great addition to our meetings. I would ask that you continue to pray for his friend Igor. We are teaching him about the Bible and his need to accept Christ as his Savior.

I am always humbled by the support of God's churches, not only monetarily, but through Prayer and encouragement. My prayer is always that God blesses you many times over for your generous support of God's work.

Thank you for your support.

Working until the Savior calls,  
Cheston Furrow
