A Ministry of Helps

March 2004

Dear Praying Friends,

I have spent most of the last three months in Ft. Worth with the Gaudets. I didn't expect to stay so long, but I found much of the work can't be done on my computer alone; I need to use the more powerful computer in the office there. Besides needing the computer, I found it necessary to stay because of an answer to prayer.

Answer to Prayer

For some time we have been praying for help with the typesetting and other work needing to be done. God has sent along three young ladies from the Gaudets' church, April, Rachel, and Sarah Wilson, to be trained and to help us. I have been working with them for most of the past two months. They are learning quickly and have proved faithful and willing to work long hours when the need arises.

We finally finished the layout work on the French Creole John/Romans and New Testament. It took longer than usual because we were learning the new program and I was training the Wilsons as we went, but by God's grace we finished it by the time the printing ministry needed to begin printing. Both the John/Romans and

New Testament were sent to printing ministries in February and are being printed for Haiti now. Please pray as these Scriptures are printed and shipped to this country in turmoil.

Ever Learning

During the last three months, we had the privilege of helping fellow-missionaries from my home church, Pene & Robyn Faafouina and Cheston Furrow, put together slide presentations. Like most everything else we do, it was a learning process. Their lives and ministries have been a blessing to me, so it was a joy to be able to help them in this way. I love how God puts us together as teams to get the work done.

What's Ahead?

Bro. Tom has returned from his Asia trip and brought more work with him. Even now we are gathering resources to begin at least one, maybe up to three new videos. In addition to the videos, we will soon have literature to typeset for the Indochina region. We will be laying out literature for Thailand, Laos, Cambodia, Vietnam and Myanmar (formerly Burma).

I will be spending the last part of this month in Amarillo with my home church for our mission conference. After that, I plan to go back to Ft. Worth to continue training the girls and working on the videos and literature. We need your prayers as we tackle all that lies ahead. We can't do it alone.

I can never thank God enough for letting me be a part of what He's doing. I can't comprehend why He lets me be used in His work, but I thank Him for it. You'll notice every prayer letter I send out has the same verse at the bottom. That's because these verses are very real to me. They remind me that He can and will use anyone who is willing.

"Because the foolishness of God is wiser than men; and the weakness of God is stronger than men. (26)For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called: (27)But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; (28)And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to naught things that are: (29)That no, flesh should glory in his presence. (30)But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption: (31)That, according as it is written, He that glorieth, let him glory in the Lord."

Because all I am is His,
