"The Lord gave the word: great was the company of those that published it."
Psalm 68:11

Indochina Literature

We are finishing up the literature for Indochina. All of the Thai literature has been sent to printing ministries. We are waiting on the final proof for the Cambodian. A few other projects for Indochina are in various stages, but it's all beginning to fall into place.

Cebuano New Testament

The fourth revision of the Cebuano New Testament has been completed and we did the layout work on the New Testament and the John/Romans. The John/Romans has been sent to the printers. It's always a thrill to see these jobs accomplished and sent off to be printed.

Video Stuff

We began working on the new video project when we realized we seriously needed to organize, catalog and back up our old footage. While this seemed like 'busy work' instead of 'real work', it became clear it was necessary if we are to be effective in the video editing. Susie Domangue spent several weeks helping us get organized in this area. We are very thankful for the hours she put into this tedious, but necessary work. She has now left us to go back home and print some of the literature for Indochina in her church's print shop.

Training

The training is going well. April, Rachel and Sarah have learned quickly. I appreciate their willingness to work and how they picked things up so quickly.

Newest Member of the Team

One of the Wilson sisters, April, will be going with us to Thailand. We had been praying about who would go with us, and God has answered by allowing April to go. We're very thankful for her willingness to go and for her parents being willing to send her. Please pray for her as she prepares for this next step.

What's Ahead?

This week I will be leaving for Tennessee and Kentucky. I expect to be there until early to mid September. This time away from the Home Office here will be a good test for the Wilsons as they see what they can accomplish on their own. Of course, Bro. Tom will be around if they need him and I'll be a phone call away, but they'll be working mostly on their own. I am confident they will do better than they think they will. I will also have my computer with me, so I can do anything needed even when I'm not here at the office.

After my Kentucky/Tennessee trip, I'll be spending a little time in Amarillo and a little time here in Ft. Worth, wrapping things up, and preparing to leave the country again. It looks like we will be leaving for Thailand around the end of September or first of October. This is just a target date at this point. Nothing is settled. We'll know more as time draws closer. The last I heard, we're expecting to spend 9 months to a year in Thailand. As always, these plans are subject to change as the Lord leads.

Prayer Requests

- Pray as the Indochina literature is finished and printed.
- Pray as we seek the Lord's timing concerning leaving for Thailand.
- Pray for April Wilson as she prepares to go with us. This will be a big step for her.

Thank you for your prayers. We see God answering them on a daily basis.

Because all I am is His,
