October 2007

Dear Praying Friends,

It is hard to believe we are nearing the end of 2007. It seems the year has just begun and now it's drawing to a close. Next month marks the 9th year I have worked with Tom and Krinny Gaudet. I can hardly believe we have been working together for so long.

Travel

At the end of last month, I made another trip to Tennessee and Kentucky. This was a multi-purpose trip, part pleasure and part work.

Dad and Mom are moving back to Alaska to minister. I felt I needed to spend some time with them before they left. I also wanted to help with some of the packing, cleaning, etc. I know what a huge task it is to move, especially all the way to Alaska. In addition to helping them pack, I was able to help them finish the layout on their prayer card for the ministry God has called them to in Alaska.

Our Mission:
Visit those very few isolated believers to teach, disciple and encourage.
Relieve missionaries for fatigued, medical, or other needed travel.
Interim pastor for churches - Evangelistic meetings - Reach out to the LOST

This trip gave me the perfect opportunity to finalize some work I have been doing for my brother and the church he pastors. I had designed a web site for them, but we were having trouble getting the details worked out. This trip gave me the time to sit down with him and work out the details. The site is up and running. Dewayne is still working on content for some of the pages, but we got the design finished and I passed the project on to him for finishing and upkeep. The address is www.gibclinden.com.

I also wanted to spend some time with my younger sister and her family. Sandra and her husband, James, have started deputation to go to Sicily. Family gatherings will be few and far between with the family scattering. We had a week together at Dad and Mom's. I am thankful God gave us this time together.

While there, I made a trip to Kentucky with Dad and Mom. We went to a missions conference at the church they attended when they lived in Kentucky and attended another meeting at a church in Franklin, Kentucky. They were both great meetings.

Literature

I have just finished two Bible projects for printing ministries. Both were in English. First, I typeset a marked edition of the New Testament which included the plan of salvation. The second project was a large print whole Bible. That project has just been sent off to the printers. Both projects took me much longer than I had anticipated and there were many battles, but God gave victory and they are both completed.

More Flash for web

In my last letter, I told about a flash project I had worked on for a ministry here in Texas. It was an interactive tract for the web. This project is posted online now and can be seen at this address: www.thereapers.com/important_message.html. This was a project that had already been done. I just helped them by updating it. I have now finished the rough draft of this project in Portuguese. It has been sent to be proofed by someone who actually reads Portuguese. Not knowing the language, I had to copy the text from a document sent to me and put the audio clips with the graphics and text. This was quite a challenge since I neither read, write, nor understand Portuguese. Because of this, it is critical to have someone else proof it to make sure I have matched everything up correctly. I am getting ready to begin on the Spanish version of the same project.

Everything Else...

Chelsea Kaska has faithfully continued working with me on various tasks. One such task is converting some Mission Training Seminars from VHS tape to DVDs. She is doing an excellent job, and was able to continue working while I was away. Without her, I would not be able to spend so much time on the projects I do. The work she does frees my time up to work on typesetting and web site work, and both are very time-consuming. She also helps with duplicating DVDs, CDs, etc., as needed.

Of course, some of our time is put into reproducing and sending the DVDs for Bro. Tom Gaudet. The last DVD was due to be sent out while I was traveling. The Wilson sisters, who have worked with us over these last years, took care of getting that one duplicated, printed, and mailed. I appreciate their help. You can check out the latest Gaudet videos online at the Gaudets' web site: www.gaudetfamily.org/Videos.html.

Once again, I want to thank you for the part you have in this ministry God has given me. I know I could not do it without your love, prayers, and giving. I pray God blesses each of you greatly for your faithfulness.

Because all I am is His,

Myra S Noel
