January 2008

*Dear Family and Friends,*

I am excited to see what God has in store as we put 2007 behind us and look forward to this new year God has put before us.

### Typesetting

I love to see God move, putting His children where He needs them to accomplish His work. A missionary family, on furlough from Croatia, came to Fort Worth early in November. During their presentation, the missionary spoke of the ongoing translation work in Croatia. After the service, I introduced myself and the ministry the Lord has given me, offering my help with any typesetting needs. He told me that the translators were almost finished with the John Romans and that a church had already committed to print it. However, he was going to have to do the layout work himself, although He had no training or experience in typesetting. I immediately offered to typeset it for him.

Croatian John Romans

By the end of November, the John Romans was back from the translators and I had begun work on it. It has now been typeset and sent to the printers, along with a tract I typeset for them at the same time.

I am praying that in this new year, God gives me opportunity to not only translate, but also duplicate myself by training others to typeset as well.

### More Flash for web

In the last couple of letters, I have mentioned tracts in Flash format for the web. I have finished the Portuguese tract and it is being proofed. The Spanish is being proofed also, and I am just adding the Spanish translation for some of the navigational tools while waiting for word of any corrections needed.

Spanish Flash Tract

This set of jobs has been a learning experience for me, and God has allowed me to use these skills to help others with their web sites.

### The Other Work...

Web site work is always on-going. More literature is slowly being added to the Resources site as it is finished. This month I added five more Thai projects and the Croatian John Romans.

Besides the web sites that I am responsible for, I have been able to provide technical help for churches and missionaries with their web sites and other tasks from time to time.

Chelsea Kaska faithfully continues helping me with DVD converting, copying, and printing. I appreciate her faithfulness and Christ-like spirit as much as I appreciate the work she does.

Some of the work slowed down over the past month. Extra work, Chelsea's family commitments during the holidays, and cold/flu season held us back a bit, but we are finally getting back into a normal work schedule.

### Family Prayer Request

Dad and Mom are heading back to Alaska soon. Please pray for them as they seek God's will concerning the timing of their trip and ministry when they get there. I am thankful for the example of godly parents that follow the Lord, wherever He may lead them.

### Faithful Friends

The first of this month found me in Houma, Louisiana for the wedding of a dear friend. Susanna Domangue has long been part of the Gaudet Team, but she has also been like a sister to me. It was a joy to go celebrate with her as she was married. I am looking forward to seeing how God uses her as she serves Him alongside her husband in their church.

Matthew & Susanna Yaksh

Once again, I want to thank you for the part you have in this ministry God has given me. I pray God blesses each of you greatly for your faithfulness.

I would like to extend a special Thank You to each of you who sent gifts and special offerings during the holidays. You are a great encouragement to me.

Because all I am is His,

*Myra S Noel*
