Dear Family and Friends,

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us..." Ephesians 3:20

Health

Thank you to everyone who prayed for my eyes. Many have written, asking how they are doing. Most of the time, I have no trouble with them. If I forget to use medicine at night or work at the computer into the wee hours of the morning, I pay for it the next day. Other than that, they are fine. I need to replace my glasses within the next few months, so I will get another report from the doctor at that time.

Typesetting

I have been typesetting a Spanish New Testament for a printing ministry in Indiana. It is close to being finished and should be completed and sent to them by the time this letter goes out. I am thrilled to get back to typesetting!

This same printing ministry has mentioned the possibility of needing the French John Romans or New Testament re-typeset several months from now. I look forward to that also.

As soon as I finish the Spanish New Testament, I will start working on a song book in the Falam Chin language. This will not be a typical typesetting job. This song book is out of print and a group of Chin believers had only one copy. It is being scanned in Pennsylvania, and the scans are being sent to me. I will put them into our publishing program so we can paginate them for the printer. It is exciting to be a part of the team getting this book printed for our brothers and sisters in Christ.

Video and Web

Parts of the *Gaudet Family* web site have been updated. Some of their videos were re-posted after adding their logo to the beginning of them. New photos have been added and the Home page was updated.

The *Resources for Missions* web site has been updated too. The menus have been reworked to make it easier to navigate to the different languages. The old menus would get you there, but they were a bit cumbersome at times. With the new menus, it should be quicker and easier to find what you need on the site.

We have added new languages! The newest language page is for the Chin languages. So far we have added a booklet in the Hakha Chin language and one song book in Falam Chin. The other song book in Falam Chin will be added when it is completed.

There have been a few updates also. The English *Creation to Christ* lessons have been converted to letter-sized pages for printing in the States, instead of the A4 size they were before. Corrections were also made to fix typos. We are grateful for the brother who labored so diligently to fix these lessons.

We will be adding the Spanish New Testament as soon as it is completed. I love to see new resources being added to this site so anyone can use this literature to reach souls for Christ.

We continue to work on getting Bro. Martin's missions seminars converted from VHS tape to DVD. It is sometimes a slow process, but it is coming along. So far we have converted and copied five of his seminars. A church in Pennsylvania converted another one, so that is six completed. I am grateful for those we can partner with to get the work done.

The job of combining the Gaudet's *White Unto Harvest* videos is now complete. There are 15 videos on these two DVDs, including one from the Jeff Lange family and one done by April Wilson.

Everything Else...

Thanks to everyone who responded to my last letter and said you are willing to receive my letters via email. If you would like to receive your copy via email (or read it on the web), please let me know and I will move your name from the mailing list to the email list. Of course, if you would like to be removed from my mailing list completely, please send me an email at myranoel@aol.com.

God continues to prove Himself faithful in all things. A couple of months ago, He gave me a single design job, typesetting a catalog for a company in Tennessee. That job helped pay some unexpected bills. His provision never fails and is never late.

Thank you for your part in my ministry through prayer, support, and encouragement. Because all I am is His,

Myra S Noel
