“**B**ut my God shall supply all your need according to His riches in glory by Christ Jesus” Philippians 4:19

Web Site Work

The evangelistic web site I worked on for so long is now finished. It is not exactly how I envisioned it, but the gospel message is presented. There was one possibility of graphics help offered, but there no follow-up, so I finished the basic site and uploaded it. The author is glad to have it finished, and I can hardly wait to see how God uses it.

The Burmese John/Romans and New Testament that Noah finished after I left Bangkok is posted on the Resources for Missions site, ready for download! A lot of Lao literature was completed and sent to me, so that is posted now too. I am thankful for those who share their work so others can have the resources they need to reach those around them.

Typesetting

There has been a bit of a dearth of typesetting since my last letter. I have been eagerly awaiting files for three projects. The first one has just arrived!

Last week we began preliminary work on a Korean/English John Romans. The preliminary work is getting the template ready with page size, margin size, etc. for the printer's specifications and settling on font size, leading, and tracking that gives that perfect balance between readability and small size for printing. This week I began working on the actual files. It has been many years since I have done a bi-lingual John Romans and I ask that you would pray God helps me do it well and quickly.

I just read an update from a missionary friend that said the Croatian New Testament files are going through their final proof. When they are finished, I will begin typesetting it also. I am excited about this New Testament and have been looking forward to it since typesetting the John Romans a year and a half ago.

The French John Romans files have not arrived. I recently heard from the missionary about them. He is very busy and ill,

CHAPTER 1	CHAPTER 1
1 IN the beginning was the Word, and the Word was with God, and the Word was God.	1 태초에 말씀이 계셨고 그 말씀이 하나님과 함께 계셨으며 그 말씀은 하나님이셨더라.
2 The same was in the beginning with God.	2 그분께서는 태초에 하나님과 함께 계셨더라.
3 All things were made by him; and without him was not any thing made that was made.	3 만물이 그분으로 말미암아 지은바되었으니 그분 없이 지음 받은 것은 하나도 없었더라.
4 In him was life; and the life was the light of men.	4 그분 안에 생명이 있었으니 그 생명은 사람들의 빛이더라.
5 And the light shineth in darkness; and the darkness comprehended it not.	5 그리고 그 빛이 어둠을 속에 비치되 어둠이 그것을 깨닫지 못하더라.
	6 하나님께로부터 보내심을 받은 사람이 있었으니 그의 이름은 요한이라.
	7 그가 증언하려 왔으니 곧 빛에 대하여 증언하여, 모든 사람으로 하여금 자기를 통해 믿게 하려 함이라.

but he is working on getting the files to me. The delay is that he has the files in a program format that I cannot use. He is converting them to a text format that I can import into our program here. After they are converted, they must be checked to make sure the conversion process did not loose or corrupt any of the text. I expect they will arrive before I finish the other two projects.

Supply of Needs

God has opened a door for me to add another job to those I'm already doing. My good friend, Sarah Wilson, married and moved out of state. She was secretary for Metropolitan Baptist Church for several years and they asked me to pray about taking her place. Metropolitan is the sponsoring church of the Gaudet family.

After praying about it and counseling with my pastor, parents, and the Gaudets, I accepted the position on a trial basis. It was agreed that I could work a couple of months to see if I could handle being secretary by day and typesetter/webmaster/whatever else was needed by night. It is tiring to work both ministries, but God has given His strength, confirming that this is provision from Him.

There are several great things about this. As secretary there, I have more opportunities to help the Gaudets, as well as other missionary friends, the Faafouinas and Martins. Also, it has helped meet my financial needs, which are higher here in the States than they were overseas. Lastly, it has been a blessing to work with the staff at Metropolitan.

Prayer Requests

- That I would use my time wisely now that I am working two ministries, so as to do both with excellence
- For the missionary working on the French — that God would strengthen him as he does this extra work, and give him relief from his constant pain
- That God would use these

Korean, Croatian, and French Scriptures to reach souls for Him.

- That God would allow me to typeset more of His Word and to train more people to typeset.

Thank you all for your prayers on my behalf.

Because all I am is His,
